

UM-ATE-2700-HD

Ultra Auto Duty Tape Edge Machine

The UM-ATE-2700-HD is United's top of the line auto tape edge machine equipped with movable table while flipping the mattress.

PTP Parts - 1 Year Guarantee

This machine comes with our patented PTP "Black" parts that we guarantee to not wear out in your machine for 1 year.

Patented PTP technology is a special surface treatment patented by Jumpsource for metal components, allowing fast-moving parts and components to achieve exceptional strength, durability, and increasing life.

	UM-ATE-2700-HD
Max sewing speed (rpm)	4000
Max recommended sewing speed (rpm)	3500
Max mattress height	20" (500mm)
Min mattress height	3.5" 990mm)
Gross weight	2700.bs (1250kg)
Voltage	220 or 380
Air pressure (psi)	87

The UM-ATE-2700-HD has United's movable table which eliminates operators from physically pushing mattress from the sewing head. Table returns, as well, to position mattress back into sewing position.

- Extra heavy duty turning arm
- Lift up turning arm for faster sewing cycle
- Optional SingerUX5 or Pfaff 5625 sewing head
- Unique movable table for ergonomic improvements on mattress flipping

Sourcing Unlimited's two companies, United Mattress Machinery and Jumpsource, are industry leaders in producing the highest quality of machinery and aftermarket parts.
